

Inclusive Leadership: *Crafting Your Leadership Style*

This two-hour, virtual instructor-led training is the first module in the *Leading With Inclusion* suite. This engaging module brings to life the complex concept of inclusion, gives participants practical tools for understanding the benefits of a diverse team, and highlights best practices that Catalyst research has identified.

Emerging leaders will gain:

- An awareness of unconscious biases in the workplace and their impact.
- The ability to define inclusion and diversity.
- Strategies for how to lead more inclusively at work.
- A firm grasp of the competencies of an inclusive leader.
- An understanding of Catalyst research findings and their significance in day-to-day work.

For more than 50 years, Catalyst's cutting-edge research and advice has helped leading companies understand the value of diversity and has provided solutions for creating equitable workplaces.

The organization will benefit from:

- Greater engagement and workforce participation.
- A stronger talent pipeline.
- Respect from employees, clients, and investors as a leader in creating workplace inclusion.
- Increased innovation, retention, and team citizenship.

PRE-WORK

This course uses a 20 minute pre-work assignment to help focus the learners while in the session. It includes:

- A case study that asks participants to select the “best” employee from a hypothetical pool of candidates for an overseas work assignment.
- A team diagram that gives participants an opportunity to reflect on what they know about their current team members' diversity.
- A checklist of inclusive leadership behaviors that participants can use to assess their current leadership style.

Catalyst's research demonstrates that organizations that build inclusive leaders increase innovation, return on equity, engagement levels, and productivity.

UNIQUE PARTICIPANT FEATURES

- The opportunity to reflect on their current team members' diversity and assess their current leadership style.
- Discussion of the challenges and benefits of inclusive leadership.
- The "Uniqueness" and "Belongingness" grid.
- Case study: Which team member will you choose for a high-profile, overseas assignment?
- Four strategies for being more inclusive.
- Breakout group discussions on actions for application.

DURATION

This course has a 2-hour agenda.
